Call for Sponsorship to the Third Asia-Pacific Requirements Engineering Symposium (APRES 2016)

General Co-Chairs: Mikio Aoyama (Nanzan University), Naoyasu Ubayashi (Kyushu University)
Program Co-Chairs: Takako Nakatani (Open University, Japan), Seok-Won Lee (Ajou University, Korea)

In Asia-Pacific region, the requirements engineering is getting more and more important due to the rapid growth of the demand of software development. APRES (Asia-Pacific Requirements Engineering Symposium) brings together researchers and practitioners from industry, academia, and government to share the state of the art and practice in requirements engineering, and to explore emerging challenges in requirements engineering innovation.

APRES 2016 will be held in Nagoya, where is known as Nagoya castle, and a heart of Japanese quality engineering, including one of the world largest community of the automotive industry. APRES will offer an extensive program of both research and practice in all the area of requirements engineering. Therefore, the APRES will be an excellent showcase for demonstrating the excellence of corporations. We, the organizing committee, cordially invite the sponsorships to APRRES 2016, where many opportunities will be offered to publicize the reputation and excellence of the leading activities of the corporations. The following sponsorships to APRES 2016 will be highly appreciated.

1. Sponsorship and Fee
